

### [EarlyON](#)

EarlyON Child and Family Centres offer free, high-quality programs for families and children from birth to 6 years old. You can learn and play with your child, meet people and get advice from early childhood professionals.

### [Preschool Speech and Language Program](#)

Speech-Language Pathologists (SLPs) in our Preschool Speech and Language program screen, assess, identify and treat speech, language, voice, fluency (stuttering), listening, and social communication concerns in children from birth to school entry. Communicative Disorders Assistants (CDAs) play an important role in providing treatment services under the supervision of Speech-Language Pathologists.

### [Children's Mental Health Services](#)

Children's Mental Health Services is an Accredited Children's Mental Health Agency dedicated to serving children, youth and their families in Hastings and Prince Edward Counties. Children's Mental Health Services is funded by the Ministry of Health. All services are free to you and your family.

### [Healthy Babies Healthy Children](#)

Having a baby can be both an exciting and challenging time. You may have a lot of questions and need help preparing for and adjusting to life with a new baby. The Healthy Babies Healthy Children program provides home visits from Public Health Nurses and home visitors to expectant mothers and new parents who need extra support.

### [QHC – Regional Paediatric Services Consulting Group](#)

Our group of enthusiastic paediatricians provide caring specialist support to the children and families of the Quinte Health Care Region. As a group of consulting specialist physicians, a referral from your midwife, nurse practitioner, family doctor or other physician is required for a specific pediatric issue.
